Date:20/10/2023

NOTICE

We are excited to announce a **FREE** learning course on AutoCAD, organized by RERFGI in association with MTA Learning. This is a fantastic opportunity for all aspiring engineers of RERFGI of **Civil and Mechanical Engineering Departments** to enhance their skills and knowledge in engineering drawing through AutoCAD.

Course Commencement Date: November 4th, 2023.

This course is designed to provide you with valuable insights into AutoCAD, a fundamental tool in engineering and design. Whether you are a beginner looking to get started or seeking to improve your existing skills, this course is tailored to meet your needs. Don't miss this opportunity to gain valuable AutoCAD skills that can significantly boost your career prospects. Take the first step towards becoming a proficient AutoCAD user.

To register for this course, please fill out the Google Form provided at the following link: <https://shorturl.at/bwIW3>. We encourage all interested candidates to register as soon as possible, as seats are limited.

For any further queries or additional information, please contact the respective departments(CE & ME). We look forward to your active participation in this course.

Best regards,

Workshop Committee, RERFGI
