TO WHOEVER IT MAY CONCERN

This is to certify that Miss Sushmita Rai, B.Tech student of Regent Education and Research Foundation, Barrackpore, North 24 Paraganas is currently undergoing internship with us. During the course of her internship she helped us in various laboratory tests conducted on cement, aggregate and concrete. She also assisted us in Concrete Mix Design calculations. Furthermore, she is also involved in structural drawing preparations and aiding us in preparing bar bending schedules. She has shown keen interest in the works assigned to her.

The works assigned to her were completed diligently and she has shown great interest for learning. Her hard working and sincere nature is her best asset. She is eager to continue her internship along with her course work.
