Dated: 03rd November, 2016

NOTICE

This is to draw very serious attention of all the defaulter Students of RERF (Degree and Diploma Courses) that in spite of repeated reminders to them for paying the due Semester Fees, a good number of students have not yet paid their due Fees and even not attending the Classes regularly. They are violating the University and Institutional norms and the respective Official Notice dated 20th June, 2016.

Under these circumstances, the defaulter students are hereby being finally informed that the College Authority will not take any responsibility, if they fail to submit their ensuing ODD Semester Examination Forms, duly authenticated, and earn eligibility to get their Admit Cards from the University as per University norms.
