Title of the Practice: CLEAN INDIA

Objectives of the practice:

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019,” said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. The campaign aims to achieve the vision of a ‘Clean India’ by 2nd October 2019.

The Context

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019,” said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. The campaign aims to achieve the vision of a ‘Clean India’ by 2nd October 2019. This year, NSS Cell of RERFGOI in association with IQAC cell of RERF organized this event on 22nd March,2023. Around 50 students participated in this event.

The Practice:

“Cleanliness is next to Godliness.” To contribute in swachh bharat abhiyan activity& undertake cleanliness drive. It is everybody’s responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases. It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make our place open defecation free, zero waste, dust free, plastic free and green. This year, NSS Cell of RERFGOI in association with IQAC cell of RERF organized this event on 22nd March,2023.. Students have encouraged community people to join in Swachhta activity. They have participated in shramdan activity and shown their willingness and interest to keep surrounding clean.

Evidence of Success:

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its' responsibility of the entire citizens to keep their surrounding clean community people were encouraged to maintain their surrounding clean. Thus the students of our college have initiated one steps towards-

cleanliness". Around 50 students participated in this event. NSS Cell of RERFGOI in association with IQAC cell of RERF organized this event on 22nd March, 2023.. Students have encouraged community people to join in Swachhta Activity. They have participated in shramdan activity and shown their willingness and interest to keep surrounding clean.

Problems encountered and resources required:

- A major hurdle in the way is the scarcity of water. Public toilets in metropolitan cities have been reported to have no water supply at all.
- Non-availability of water in many parts of rural India makes people avoid a household or a public toilet and opt for open defecation instead.

Problems encountered:

1. Dust and dirt. Various kinds of trash. In places as huge as stadiums and airports, it's a must to have rubbish bins in every corner.
2. Toilets.
3. Thousands of seats.
4. Floors.

Resources required:-

Swachh Bharat Abhiyan is a five year long cleanliness campaign launched by the Government of India on 2nd October 2014. The campaign was aimed for making the streets, roads and offices clean from filth and garbage. One of the main objectives of the drive is to make India Open Defecation Free (ODF). The campaign also targets raising public awareness about cleanliness through rigorous media campaigns and to institute door to door garbage collection in rural/urban household and ensuring its safe disposal

Make the most of the day by working on things that don't get done often, like cleaning the chairs in the auditorium or dusting the tops of lockers. If you like, you could ask for permission to plant some flowers around campus, like in a flower bed near the school's entrance.

One Citizen One Plant Challenge

One Citizen One Plant Challenge is an initiative initiated by the Ministry of Youth Affairs & Sports under the aegis of National Service Scheme. Our college actively participated in the same and encouraged all the stakeholders to participate. Our students participated in this scheme actively. They planted a number of young saplings of various plant species.

The students vowed for a greener campus and made it a point by planting within the campus and beyond. Students who participated in this challenge and completed it successfully were awarded certificates of appreciation by the college.

Some glimpses of "One Citizen One Plant Challenge" beyond the campus
