NOTICE

This is for the kind attention of all HODs and mentors that as a part of the National Assessment and Accreditation Council (NAAC) cycle 2 accreditation process, a Student Satisfaction Survey (SSS) is started from 29/08/2023. The NAAC survey provides a platform for students to share their valuable insights and feedback regarding various aspects of the college experience. Here are the key details regarding the survey:

- Survey Link: An online survey link will be sent directly to the email IDs of all students from NAAC.
- Objective: To collect honest and unbiased feedback from students on various aspects of their college experience.
- Confidentiality: All responses will be treated as strictly confidential by NAAC, ensuring the anonymity of participating students.
- Independence: It is of utmost importance that students are encouraged to provide their genuine opinions, free from any undue influence or pressure from faculty, staff members, or administration.
- Participation Goal: We aim to achieve maximum participation from our student body, as this will enhance the accuracy and comprehensiveness of the feedback.

To ensure the success of this endeavour, we kindly request you to notify all mentors and faculty members within your department about the ongoing survey and stress the significance of their role in motivating students to participate and also, emphasize the importance of maintaining the survey's integrity and independence, ensuring that students' responses are their own authentic views. We appreciate your cooperation in this matter and look forward to your active involvement in this important initiative.
